

Verona by Calvi Brambilla

IT Le suggestioni degli armadi di una volta vengono rivestite di un nuovo senso, grazie a un linguaggio contemporaneo e al tempo stesso evocativo. Carico di fascino di antichi ricordi, Verona riscopre la scansione classica a cornice delle ante e gioca con quadri di dimensioni differenti. Nascono incontri di linee verticali e orizzontali, composizioni simmetriche e asimmetriche. Un incavo nella cornice del telaio, ottenuto dalla lavorazione del montante, assicura un'apertura discreta, senza maniglie a vista. È il senso di una eleganza discreta e misurata, senza tempo.

EN Charming wardrobes of times gone by are given a new meaning with a contemporary yet evocative design language. The Verona wardrobe, steeped in the charm of distant memories, is a new take on the classic framed door fronts and plays with squared forms of different dimensions. Vertical and horizontal lines, and symmetrical and asymmetrical compositions come together as one. A recess in the frame, achieved by the design of the vertical support, ensures a discreet opening without visible handles. This creates a sense of discreet, measured, timeless elegance.
